Thai Cooking Class

Thai Cooking on the Rooftop

Today you will chill out on a rooftop with an SF view for an alfresco Thai cooking class! You will learn how to make mouth-watering Thai food from scratch, just the way they do it on the streets of Bangkok. You'll be making two dishes: Pad Kra Prao and Pad Thai. The first hour will be cooking on the rooftop and the second hour you will get to eat what you created, with some mango sticky rice for dessert.

Scavenger Hunt

Go Game App Based Team Building

Today you will be participating in a scavenger hunt around the Mission District hosted by Go Game. Your group will be split into two teams and one team member will download the Go Game app. There will be challenges, trivia and clues to score the most points during the 90-min game. The final clue will lead you to our chosen end point.
